Prepare for Nontraditional Occupations (NTOs)

Affordable Career-Focused Programs:
Associate Degrees | Technical Diplomas | Apprenticeships
Milwaukee Area Technical College Campuses

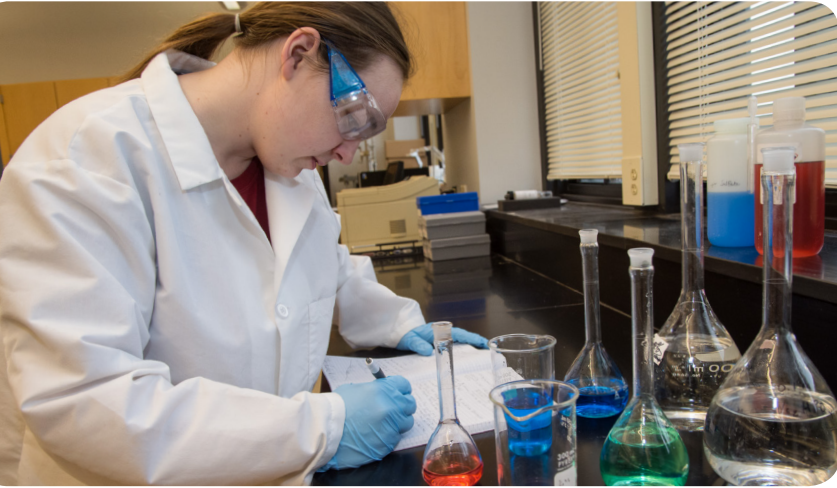

Explore Nontraditional Occupations

MATC offers 121 academic programs related to NTOs – 75 for women and 46 for men.

Many NTO careers are expected to experience significant job growth over the next several years. Benefits of entering a NTO career include:

- Greater career options and flexibility
- Increased job satisfaction
- Ability to turn a longtime interest into a lifetime career
- Opportunities for higher salaries and better benefits
- Potential for a more recession-proof, stable career track

Associate Degrees, Technical Diplomas and Apprenticeships

MATC's program options include:

- Associate degrees – Most are designed to be completed in two years of full-time study.
- Technical diplomas – Most are designed to be completed in one year of full-time study.
- Apprenticeship programs with local trade unions and/or business owners – Students enter apprenticeship programs through a selection process guided by employer needs.

Customizable programs also can be created in multiple technical studies areas. Contact MATC's NTO office for details.

Whether you are considering or are currently enrolled in a nontraditional occupations program, contact the NTO office for on-campus assistance and support.
