Policy Reference: N/A

The role of the mailrooms is to provide centralized reception and distribution of official mail throughout the district. In addition, the Milwaukee Campus mailroom is also responsible for keeping current on pertinent U.S. Postal Service rules and regulations and disseminating this information to MATC personnel.

Mailroom Drop Slots

At the Milwaukee Campus there is a drop slot directly on the Mailroom door, Room M174. Both interoffice and outgoing can be placed in the drop box.

"U.S. Mail Only" (Outgoing Mail) is for stamped mail only. This goes directly to the Milwaukee Post Office.

Outgoing U.S. Mail

The following guidelines are for outgoing U.S. Mail:

1. Flaps should **NOT** be tucked in, but should be in the "closed" position, unsealed.
2. Sealed envelopes containing mail of a sensitive nature must be separated from unsealed mail.
3. Envelopes must all be faced one way and separated by size.
4. All outgoing U.S. mail **must** have the department mail code **above** the return address.
5. Endorsements requesting address correction or return service must be directly **below** the return address.
6. Envelopes heavier than 2 ounces, or larger than a No. 10-size envelope must be sealed by the individual department.

Bulk Mailings

There is a significant savings when the bulk permit is used.

The following are guidelines for bulk mailings:

1. The mailroom requires a total piece count of 500 pieces or more.
2. All pieces must be identical in content and weight. Any mail personal by nature or handwritten is unacceptable.
3. Each piece must have MATC's permit imprint indicia on each piece in the upper right-hand corner. Preprinted envelopes may be requisitioned through the Bindery. These must be used for bulk mailing **only**.
4. If unsealed, envelopes must be flap down, not tucked in. Do not use rubber bands.
5. The bulk indicia stamp and postal mailing trays are available in the mailroom for preparing bulk mailing. It is recommended that dated material be prepared in advance. Bulk mailings can take up to 6 weeks for delivery.
6. Bulk mailings must be delivered to the mailroom.
7. The Post Office does not accept any mail that has staples in it. Folded flyers should be taped closed.
