

Title: BOOKSTORE USED BOOK POLICY

Code: HH0102

Policy Reference: N/A

The Milwaukee Area Technical College Bookstore will purchase and resell good used books consistent with industry standards as established by the National Association of College Stores, as indicated below.

1. Current, good used books may be bought at 50% of the purchase price and resold at 75% of the new price.
2. Identification as an MATC student is required. Seller must show an MATC identification card
3. Books must be current editions presently on the official school list with indications for continued use.
4. Only required textbooks may be bought; supplementary books will not be bought. Workbooks will not be bought unless in new, unused condition
5. Paperbound books used as required texts may be bought; other paperbound books will not be bought.
6. The buyback period will vary, but generally will be at the end of each semester with the dates posted on the Bookstore landing page on matc.edu and other physical locations.
7. Overstock texts and texts of uncertain status (e.g., possible edition or adoption change) may be purchased only at lower prices established by a reputable national used book wholesaler.
8. Out-of-date books are of no value and cannot be purchased by the Bookstore.
