

**ADMINISTRATIVE REGULATION
AND PROCEDURE**

Title: TECHNICAL STANDARDS

Code: 110502

Policy Reference: N/A

Technical standards for programs broadcast over Channels 10 and 36 shall be in compliance with Federal Communications Commission (FCC) and WMVS/WMVT Technical Operating Specifications (TOS).

Questions or need for clarifications concerning technical specifications are welcomed by the WMVS/WMVT Engineering Department. Please contact the manager of Engineering & Technical Facilities at 297-7617.

Office of Responsibility: WMVS/WMVT-TV Station Management
