#### INSTRUCTIONS

Federal regulations prohibit any student from receiving financial aid at more than one college during the same financial aid award period.

MATC financial aid applicants who enroll in courses at another eligible college,\* but plan to receive their degree from MATC, may be eligible to receive financial aid from MATC. MATC is considered the "Home College" and the other college is considered the "Host College."

To be considered for a Consortium Agreement from MATC, a student must:

- Complete the student information on Part 1 of the MATC Consortium Agreement Form and submit Part 1 and Part 2 of the form to the MATC Financial Aid Office. The MATC Financial Aid Office will obtain signatures from the Host College, MATC program counselor, and program associate dean.
- Be awarded financial aid for the current school year.
- Be accepted in an eligible MATC academic program.
- · Be enrolled in program transferable credits.
- Maintain MATC's Standards of Academic Success.
- \* An eligible college is defined as one which adheres to the following requirements:
- ➤ Legal authorization by the state where the college offers postsecondary education to provide a postsecondary education program.
- Accreditation by a nationally recognized accrediting agency or has met the alternative requirements, if applicable.
- ➤ Admits as regular students only persons with a high school diploma or its recognized equivalent, or persons beyond the age of compulsory attendance in the state where the college is located.

NOTE: It will take a minimum of two weeks from the date that you submit the Consortium Agreement for it to be processed by the MATC Financial Aid office. You may call 414-297-6880 if you have any questions.
